

Unlock the Potential of Your iSeries

Presented by
Yorel Integrated Solutions and IBM

There has never been a better time to maximize your current iSeries investment.

- *Need to implement customer self-service applications for 24/7 access?*
- *Want to give your suppliers selective access to replenish just-in-time inventories?*
- *Have remote offices or mobile employees that need secure access to data?*

Spend the morning with us and you will understand the business reasons why you should implement High Availability solutions and modernize your 5250 applications. Bring your iSeries Administrator and learn just how easy it is to get started.
