# One way or another, you'll meet customer demands. We'd like to suggest an easier way.

ATTEND THE IBM SOLUTIONS SUMMIT.  
and find out more.

Go to [ibm.com /software/info/smb/summit](http://ibm.com/software/info/smb/summit)

You chase down IT problems almost as quickly as they pop up. You integrate old and new applications. Or just start from scratch. And by keeping e-mail going, productivity is at an all time high. But your boss still isn't happy. He thinks you should be able to do more with IT. Faster. Let IBM and your local IBM Business Partners help.

Come to the IBM solutions Summit. You'll learn about innovative approaches to improve business processes, increase productivity and find easier, more cost-effective ways to get simpler, faster, more secure IT Service Management.

FILL YOUR DAY WITH AFFORDABLE SOLUTIONS AND BIG IDEAS . Your company is too big to get by using consumer products. You don't need solutions that can handle 5,000-piece deployments. The IBM Express Portfolio™ of solutions is designed to help businesses of your size meet changing business needs easily and cost-effectively. There will be previews of the IBM Express Portfolio of solutions from Tivoli®, WebSphere®, and Workplace™.

At the summit, you'll learn how to more easily help your company reach a whole new level of productivity and efficiency through the use of IBM solutions. The kind of levels that can increase customer retention. You'll get benefits that can:

- Increase employee access to information and boost overall productivity
- Quickly identify and resolve IT problems before anyone knows there's a problem
- Secure and protect company data with less stress and more efficiency
- Improve operations and reduce administrative costs
- Increase flexibility, improve business processes and integrate applications more efficiently with a service orientation.

ATTEND THE IBM SOLUTIONS SUMMIT. MAKE IT MORE FLEXIBLE . Come to the summit and learn about the IBM Express Portfolio of solutions and other affordable, easy-to-implement IBM and IBM Business Partner solutions. Reserve your seat today. Space is limited.
