

KNOWLEDGE. FOCUS. EXECUTION.

Yorel Integrated Solutions, Inc.

LEARN THE LATEST STRATEGIES TO OPTIMIZE YOUR IT

You know the right technology can give you a competitive edge in your business. That's why Yorel Integrated Solutions is inviting you to find out how the right technology can save you time and money through improved efficiency and reduced operating costs.

We'd like you to be our special guest at the Yorel Roadshow, where you'll get expert advice on technology topics that are important to you.

Agenda topics include:

Achieving business continuity and disaster recovery through virtualization

Presented by: Brent Adam, Practice Manager, Network & Server Infrastructure Solutions

- Leveraging virtualization to recover data in less time for less money
- Implementing effective DR on Windows servers
- Improve RTOs and RPOs with innovations for disaster survival

Slash your utility bills—Use consolidation to reduce heating and cooling costs

Presented by: Nick Long, Practice Manager, Data Center Optimization

- Best practices for power, cooling and space management
- The true costs of blades and high-density power delivery
- The hidden costs of data center cooling

Using technology to drive business growth

Presented by: David Harlow, Practice Manager, Midrange Solutions & Services

- Functionality and mobility via VoIP
- New uses for System i technologies including WebSphere, HATS, Lotus, Domino and Linux

Corporate access strategies and application delivery

Presented by: Chris Horton, Practice Manager, Corporate Access Solutions

- Delivering IS as a service
- Reducing TCO with an application delivery infrastructure
- Driving business with optimized applications and infrastructure
- The importance of standardized secure access solutions

Yorel is taking this important message on the road, so we'll be coming to a city near you. For more information, log on to www.regonline.com/132034 today. When you attend the event, we'll treat you to lunch and also enter you in a drawing. Drawing includes vendor gifts and a grand prize of a \$150 Visa gift certificate!
