# Unlock the Potential of Your iSeries

Presented by  
Yorel Integrated Solutions and IBM

*There has never been a better time to maximize your current iSeries investment.*

- *How do I quickly modernize my applications and make them ready for the web?*
- *How can I take my applications and deliver them personalized for my customers, trading partners, executives and employee's experience?*
- *How can I eliminate re-keying information in your business, at the same time automate my business processes and be more responsive to my customers ?*
- *How can I modernize my business in a fast and affordable way?*

*Spend the morning with us and you will understand the business reasons to modernize your 5250 applications. Bring your iSeries Administrator and learn just how easy it is to get started.*
